Living Water Christian School defines a legal parent or legal guardian to be person(s) who enrolled the child and whose signature is found on the enrollment form. An official birth certificate proving he/she is the legal process; legal court documentation must be presented as proof that he/she has been awarded temporary or permanent custody of the child in question. We will not hesitate to call 911 immediately if any disruptions or disputes develop on school property. The safety of the minor child in our custody will always take top priority in any situation.

This also applies to those allowed to pick up the child from LWCS. Official court documents whose authenticity has been verified. will supersede any other documents received or placed on file.

I hereby authorize all above listed names as active and approved people to pick up my child from LWCS facility.

HEALTH AND SAFETY

(Child's Name)

Date of Birth ____/____/____

Upon enrollment, each child must have a written statement on file from a licensed Florida physician or authorized agent of a Florida County Health Department stating that the child is in good health or attest that any known medical condition or health problem is under treatment. The following policies must be strictly adhered to.

Immunization Policy

Depending on the age of the child the state of Florida requires immunization of all students against Diphtheria, Tetanus, Pertussis (DPT), Trivalent Oral Polio (TOPV) and Measles, Mumps Hepatitis B and Rubella (MMR). A TB skin test may be required by the local county health department. A current record of immunization must be filed prior to the first day of school. Supply on original Florida, completed immunization and medical form, DH 3030 (former yellow form) and form DH 680 (former blue form) signed by a physician. This must be on the Florida official, original, local health form and not a photocopy. This form is valid for two (2) years from the date issuance and is transferable if the child attends another facility. Please note that under certain circumstances a student may not be up to date with vaccinations.

Notification of Communicable Diseases

When a child has been diagnosed with contagious illness, the parents must notify the school immediately. The school will then notify parents of the children that may have been exposed to the disease. Children may not return to school unless accompanied by a physician signed release to return.

Communicable Diseases

- | | | | |
|-------------|----------------|-----------|--------------|
| Chicken Pox | Whooping Cough | Ring Worm | RSV |
| Measles | Pinworms | Impetigo | Strep Throat |
| Mumps | Scarlet Fever | Pink Eye | |
| Pneumonia | Scabies | Head Lice | |

As each child arrives, the teacher on duty will conduct a daily health screening to observe the child for signs and symptoms of illness. **Children who have a temperature over 100 degrees, recurrent vomiting, diarrhea or a disease listed on the communicable disease chart, will not be allowed to remain at school and parents will be notified to pick up their child, (within one (1) hour of being notified).** While waiting for the parent to arrive the sick child will remain in the designated area away from other children. **Students who are sent home due to illness will not be able to return to school for a minimum of 24 hours or until the child is symptom free.**

Medical Emergencies

In case of minor illness students may be sent to the office where they may receive care. In case of a more serious illness, (head injury, bleeding wound, broken bone) parent will be notified immediately.
